### **Target Donates to Muscular Dystrophy Association**

**Santa Fe Springs, CA** – Target Specialty Products donated \$1,200 to the Muscular Dystrophy Association’s South Bay/San Gabriel Valley Chapter. The fundraising event, MDA Lock-Up, for “Jerry’s Kids” sponsors special summer camps for kids with neuromuscular diseases. Target’s donation sends two kids to MDA summer camp. The camps provide kids with the opportunity to take part in activities such as swimming, boating, baseball, football, horseback riding, arts and crafts, and a talent show. Phil Holmes, Target’s Regulatory Affairs Associate, presented the donation to MDA volunteer Mark Schafer.

“The Muscular Dystrophy Association has organized a great program. Target is happy to play a small part in bringing this camp experience to local children,” said Lon Records, Target’s President and CEO. Target was one of 52 local companies to participate in the event, which raised over \$45,000 for the South Bay/San Gabriel Valley Chapter.

The MDA is a voluntary health agency which funds research grants to help find treatments and cures for 43 neuromuscular diseases that affect more than one million Americans.

**Editors Note:** Target Specialty Products is a wholesale distributor of specialty agricultural chemicals, fertilizers, application equipment, service and education.
