

Kills tough broadleaf weeds in sensitive southern turfgrasses

WHAT IT IS

SpeedZone® Southern Broadleaf Herbicide for Turf is proven to provide fast, dependable control of broadleaf weeds, including dollarweed, creeping beggarweed, ground ivy, and spurge. Formulated for southern turfgrasses, SpeedZone Southern delivers visible activity in hours, and weed death can occur within seven to 14 days. Highly selective in both warm- and cool-season turfgrasses, SpeedZone Southern is rainfast in as little as three hours.

WHAT IT DOES
