

Monitors & Bait Stations

TM-1 Termite Monitor

Provides a Valuable Service

Constantly monitors your customer's premises for possible termite presence. Allows you to address any termite activity immediately.

Increased Customer Retention

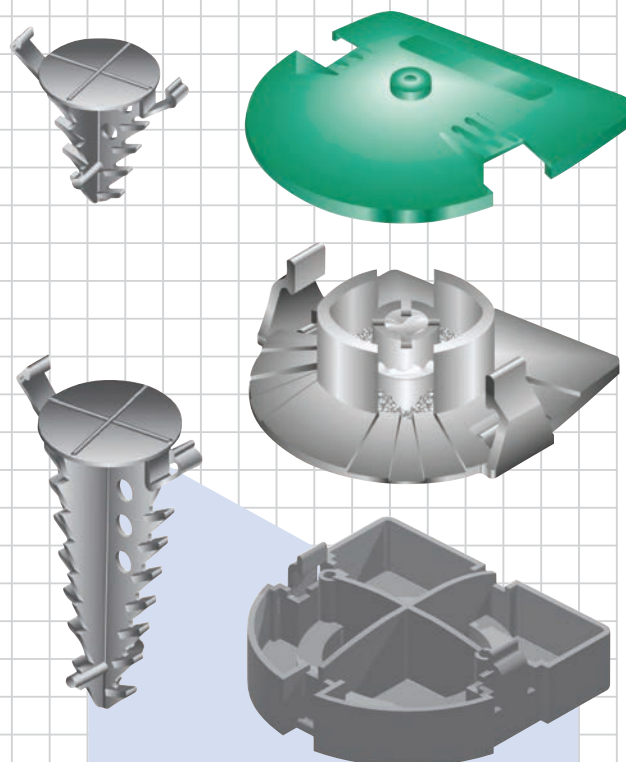

On a daily basis it gives your customer a reminder of the valuable service you provide. The B&G TM-1 Termite Monitor can be custom printed with your company information.

Increased Sales

Offers you the opportunity to supply a Termite Monitor Program as an "add on" service. When termite activity is present permits you the opportunity to immediately sell a termite protection and remediation program.

Inexpensive and Easy to Install and Service

The B&G TM-1 Termite Monitor is easy to install – no drills or augers are required. Servicing takes less than a minute and at a cost of less than \$2.00 per Monitor.

Outdoor Insect Bait Station

The ultimate system for monitoring and baiting.

- Accessible to crawling insects, including ants
- Holds liquid, granular, paste, and gel baits
- Season-long control method for IPM programs
- Patented design

Ants-Only Bait Station

- 4 compartments for liquid or granular bait
- Allows only ants to enter and leave with bait
- Holds enough liquid bait for colony control
