

Soil Surfactant | **Foliar Adjuvant** | Utility

Stickum

Stickum is a breakthrough adjuvant performance, providing coverage that comes from a super spreader and protection that only a latex can offer. **Stickum** delivers exceptional performance and protection to its tank mix partners. Great for everyday use, exceptional when the need calls for extra protection from the elements. **Stickum** will help resist washoff from irrigation and post-application rain events. Perfect for waxy foliage and aquatic weed control applications. **Stickum** is suitable for all types of pesticide and foliar fertilizer products. **Stickum** is truly a spreader/sticker.

Safe on All Plant Types | **Multiple Uses** | **Low Use Rate**

Application Instructions:

Above 50 gal/acre 08 -16 fl. oz. / 100 gal.

10 - 50 gal/acre 16 - 24 fl. oz. / 100 gal.
