

# REPLACE XL™

## COMMERCIAL SAND PIGMENT

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

### PRECAUTIONARY STATEMENTS

Causes eye irritation. If medical advice is needed, have product container or label at hand. Read label before use. Wash protective equipment and work clothes thoroughly after handling. Specific treatment is given in the First Aid section on this label or on the SDS

### STATEMENT OF PRACTICAL TREATMENT

**If in Eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or attention.

**If on Skin:** Wash affected area with plenty of soap and water. Use tepid water if available. If skin irritation occurs: Get medical advice or attention.

**If Swallowed:** Rinse mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison control center or doctor. Do not give anything to an unconscious person.

**If Inhaled:** Move person to fresh air. If person is having difficulty breathing, give oxygen. If not breathing, give artificial respiration.

### GENERAL INFORMATION

REPLACE XL is a unique pigment dispersion, formulated to impart a natural, dark green color to sand used for filling divots and topdressing playing surfaces on golf courses and athletic fields.

### DIRECTIONS FOR USE

FOR USE ON DIVOT MIX AND TOPDRESSING ONLY.

ENSURE PRODUCT'S UNIFORMITY PRIOR TO USE. SHAKE OR AGITATE IF NECESSARY.

DISPERSE DISPLACE XL THROUGHOUT THE DIVOT MIX OR TOPDRESSING USING A CONCRETE MIXER, FRONT LOADER OR CONVEYER.

### USE RATES

Apply 1 to 2 ounces of REPLACE XL to 100 pounds of sand

Apply 1 to 2 pints of REPLACE XL to 1 ton (2,000 pounds) of sand

To lighten color: Add additional sand and mix until desired color is achieved.

To darken color: Add additional REPLACE XL and mix until desired color is achieved.

### STORAGE AND DISPOSAL

May be stored below 32° F if thawed and thoroughly agitated before use. Keep container closed in storage. Do not allow water to be introduced. Store only in original container. Triple rinse when empty and offer for recycling. Always dispose of container in accordance with local, state and/or federal regulations. Do not reuse empty container.

### CONDITIONS OF SALE

Note: Read the information contained herein before buying or using this product. If the stated terms are not acceptable, return the product at once unopened. It is critical that this product be used and mixed only as specified on this label. Neither the manufacturer nor the seller makes any representation or warranty, expressed or implied, with respect to the results from the use of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories, LLC warrants that this material is reasonably fit for use as specified on this label. No agent or representative is authorized to make any other representations concerning this material. Unforeseen factors beyond Precision's control prevent elimination of risks in connection with the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or crops to which the material is applied, or lack of complete control and damage caused by drift to other plants or crops. Such risks may occur even though the product is reasonably fit for use as stated herein and even though label directions are followed. Follow directions carefully. Timing, mixture, method of application, weather and other conditions are influencing factors in the use of this product and are beyond the control of the seller. Except to the extent prohibited by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the company or any other seller for any and all losses, personal injuries or damages resulting from the use of this product, shall be the purchase price paid by the user or buyer for the quantity of product involved.
