

LIPHATECH

Soft Bait Bag

NEW 4 lb. Packaging

EZ Open™ top is recloseable and makes it easy to reach in and access product.

Portable, packable, protective.
We've got it in the bag.

Reinforced, multi-ply handle maintains form and strength.

Full label printed directly on bag.

Durable, water-resistant four-ply construction keeps bait dry.

Specialized gussets keep bag upright.

With Liphatech's flexible 4 lb. packaging for FirstStrike® 10g and Resolv® 12g rodenticide, servicing stations just became more convenient.

- Easy to carry
- Simple to open/reopen
- Less bait to carry
- Full label directly on the bag
