

CONTRAC®

THE BEST CHOICE FOR ALL-AROUND CONTROL

PRODUCT FEATURES:

- ▶ Contains the single-feed, second-generation anticoagulant, bromadiolone, for quick control of rats and mice
- ▶ Formulated with 15-20 human food-grade ingredients for superior rodent acceptance and control; outperforms other baits of its kind
- ▶ Effective control indoors and out; an excellent, all-purpose bait
- ▶ Especially good in sensitive areas where nontargets are a concern
- ▶ Available in a variety of bait forms: Blox, cake, pellets, meal and place pacs
