

# STAINLESS STEEL ADVANTAGE: ENGINEERED TO ENDURE

Introducing the New! Target Specialty Sprayer Upgraded with Premium Stainless Steel Pump Cylinder, Siphon Tube, & Wand.

## FEATURES & BENEFITS

### ENGINEERED TO ENDURE

This sprayer features a stainless steel pump cylinder, siphon tube, and wand, complemented by Viton® seals and gaskets. It's engineered for endurance against the harshest chemicals and most challenging job environments.

### SERVICEABLE

Service parts and support readily available, ensuring your investment withstands daily use and lasts for years to come.

### PRECISION SPRAY

4-way adjustable tip means consistent performance, accurate spray & less waste.

### ACCESSORIES FOR JOB ACCURACY

Unlock precision and versatility with a range of 4-way adjustable nozzles, attachments, & straws, ensuring you have the right tools to tackle any task with confidence.

### PREMIUM HOSE ASSEMBLY

Count on the chemical-resistant hose with spring strain relief for lasting resilience under frequent strain, delivering both durability and effortless usability.
