

WATCHDOG600c

With a capacity of 60 pints per day, the WatchDog 600c is quite effective at maintaining homes up to 11,000 cubic feet. The unit features an HVAC quality condensate pump and compact size to make set up simple. Once installed, the 600c has a built-in humidistat to maintain desired humidity levels. The WatchDog 600c also features a digital display, low-temperature operation and auto-restart. It is also compatible with optional accessories including a remote control, duct collar kit, and Wi-Fi remote sensor.
