

ZENIVEX® 2019 DISCOUNT PROGRAM

SAVE INSTANTLY

Get a break on mosquito control expenses from the company that puts customers first. Now, when you purchase designated amounts of Zenivex® products **during the program period**, you can receive a price discount of up to 10%. Protect your community, gain savings, and add the reduced-risk profile from etofenprox-based Zenivex® formulations.

**Program Period:
5/15/19 - 8/31/19**

During program period, all single orders of Zenivex® E20 and Aqua Zenivex™ E20 that are 90 gallons or more qualify for an instant 10% price discount at purchase.

Zenivex® E20 and Aqua Zenivex™ E20

During program period, all single orders of Zenivex® E4 RTU that are 120 gallons or more qualify for an instant 7.5% price discount at purchase.

Zenivex® E4 RTU

Discounts on Zenivex® Products are offered at the time of purchase. Zenivex® purchases under this program also qualify for our 2019 All Clear Year-End Rebate program.

TARGET
SPECIALTY PRODUCTS™

CENTRAL Life Sciences®

DISCOUNTS ON THREE EFFECTIVE FORMULATIONS.

Features and Benefits:

- Quick, permanent knockdown of adult mosquitoes
- EPA reduced-risk classification
- Approved for use over agricultural crops
- Favorable environmental profile
- Non-ester pyrethroid
- Low toxicity

ZENIVEX® E20

Like other Zenivex® products, Zenivex® E20 is an oil-based formulation that presents a very low toxicity profile to birds and mammals. Containing 20% of the active ingredient etofenprox, this ready-to-use formula can be used alone or diluted with oil.

AQUA ZENIVEX™ E20

Aqua Zenivex™ E20 offers the efficacy and toxicity profile of Zenivex® products in a water-dilutable formulation for the effective control of adult mosquitoes, non-biting midge flies and nuisance flies. This product is classified as reduced risk by the EPA.

ZENIVEX® E4 RTU

Designed to give mosquito control professionals operational options, this product can be applied with a wide variety of ULV foggers for hand, ground or aerial applications. Containing 4% of the active ingredient etofenprox, Zenivex® E4 RTU is a ready-to-use oil-based formulation.
