Soft Bait

The ideal choice for everyday maintenance.

Flatline has all the benefits of soft bait: easy-to-use, palatable and effective.

Integrity—Our formula maintains its integrity in hot environments.

Palatability—Bait formulation is palatable to mice and rats.

Flexibility—Quickly secure single or multiple pouch placements.

Size—Available in 4 lb. bags of 28g pouches.

- The original first generation soft bait rodenticide for everyday use
- Flatline is attractive to rodents
- Contains chlorophacinone as the active ingredient
- Flatline is a multiple-feed anticoagulant rodenticide
- Best choice for everyday use to help stop damage caused by rodents
- Vitamin K₁ is the antidote
- Bait is packaged in conveniently sized 28g soft bait pouch
- Pouches can be quickly secured with bait rods or feeding devices
- Made without nuts or seeds to reduce debris and service time
- Bittering agent added
- Soft bait rodenticide available in 4 lb. individual bags or in 8-bag cases
- Kills Norway rats, roof rats, house mice, deer mice and other rodent species* as listed on the label

Try the latest in soft bait rodenticide technology from The Soft Bait Innovators®.
