The Vertebrate Pest Council organizes educational conferences devoted to advancing methodologies and concepts involving human-wildlife conflicts and vertebrate pest problems. The first Conference was held in 1962.

The California Department of Pesticide Regulation is enforcing attendee identification checks by meeting sponsors. All attendees are required to bring photo identification to the meeting in order to receive continuing education credit. For questions contact the Licensing Program at licenseemail@cdpr.ca.gov or call (916) 445-4038.
